

June 18, 2013

Theresa A. Duffey
Natural and Cultural Resources Director
Department of Conservation and Recreation
203 Governor St.
Richmond, VA 23219-2010

Dear Ms. Duffey

Enclosed are the signed research permits for our planned project in Holliday Lake and Twin Lakes State Parks. As requested I will be in touch with the park managers and Irene Frentz to coordinate our sampling.

Thank you for your assistance with the permitting process and please let me know if you have any questions.

Sincerely,

Kenneth Fortino
Assistant Professor of Biology
